3. United generally objects to the Subpoena on the grounds that it is facially over broad.

4. United generally objects to the Subpoena to the extent that (a) it seeks discovery from an absent member of the putative class, and (b) Defendants may be able to obtain any relevant information on the common issues raised in the class action from the named class representatives.

8. United generally objects to the Subpoena to the extent that it calls for the identification or disclosure of information without the required consent of a government agency or other third-party.

9. United generally objects to the Subpoena to the extent that it seeks information beyond the scope of permissible discovery under the Federal Rules of Civil Procedure and the Local Rules of this Court or seeks information not relevant to the issues raised in the Litigation and not reasonably calculated to lead to the discovery of admissible evidence.

10. United generally objects to the Subpoena to the extent that it seeks to impose obligations beyond those imposed by the Federal Rules of Civil Procedure or the Local Rules of this Court.

12. United specifically objects to the Subpoena's definition of the term "United HealthCare" on the grounds that: (a) by failing to identify the terms or phrases "trustees," "officials," "officers," "fiduciaries," "representatives," "agents," "assigns," "attorneys," "employees," "divisions," "departments," "affiliates" and "all other persons or entities acting or purporting to act on its behalf or under its control" used therein, the definition is vague and ambiguous; and (b) to the extent that the terms or phrases "trustees," "officials," "officers," "fiduciaries," "representatives," "agents," "assigns," "attorneys," "employees," "divisions," "departments," "affiliates" and "all other persons or entities acting or purporting to act on its behalf or under its control" are given their ordinary meaning, the Subpoena is over broad, unduly burdensome and oppressive as it requests production of documents not within the possession, custody or control of United.

14. United specifically objects to the Subpoena's definition of the term "Communication" on the grounds that (a) the definition is vague and ambiguous to the extent it fails to define the term "information," and (b) to the extent that the term "information" is given its ordinary meaning, the Subpoena is over broad, unduly burdensome and oppressive.

15. United specifically objects to the Subpoena's definition of the term "Document" on the grounds that the Subpoena (a) seeks production of documents not within the possession, custody or control of United, and (b) calls for the identification or disclosure of information that is protected by the attorney-client privilege and/or the work-product doctrine.

16. United specifically objects to the Subpoena's definition of the terms "MAC" or "Maximum Allowable Cost" on the grounds that the definition is vague and ambiguous to the extent it refers to 42 C.F.R. § 442.332, in that there is no such provision in the Code of Federal Regulations.

17. United specifically objects to the Subpoena's definition of the term "Third Party Administrator" on the grounds that by failing to define the phrase "administrative services" used therein, the definition is vague and ambiguous, and (b) to the extent that
